APPI Council

Call for Nominations

The term of office for five (5) members of the Alberta Professional Planners Institute (APPI) Council will conclude at the next Annual General Meeting (AGM). In compliance with the APPI bylaws, nominees are being recruited to fill four (4) Councillor positions, for two-year terms commencing April 25, 2024.

In addition, nominees are also required for the position of President Elect, which consists of a four-year term commencing April 25, 2024, and includes one year as President Elect, two years as President and one year as Past President.

The Nominating Committee is tasked with the duty of presenting the membership with a slate of nominees for vacant positions on Council, and the Committee is actively recruiting potential volunteers currently. For a detailed Council job description [click here](#) and to the President Elect responsibilities and qualifications [click here](#). If you are interested in running for a position on Council, or if you would like additional information about serving on Council, please contact the APPI office. APPI is committed to equity and diversity on Council and in positions of influence and leadership within the Institute. The Institute welcomes nominations from individuals who identify as First Nations, Inuit, Métis, LGBTQ2S+, persons with disabilities, women and other equity deserving groups. Regulated members, either Registered Professional Planners (RPP) or Candidate members, may self-nominate or be nominated by others to serve as Councillor. Nominees for President Elect must be RPP members of the Institute. All nominees for Councillor and President Elect must submit the applicable completed [Councillor Nominee Declaration Form](#) or [President Elect Nominee Declaration Form](#) signed by two Regulated members, neither of whom may be the individual nominated, before the call for nominations closes.

All nominations must be filed with the Nominating Committee via email to the APPI office at admin@albertaplanners.com, on or before Tuesday February 27, 2024.

If the number of nominees exceeds the number of vacant positions on Council, and/or the number of nominees for President Elect is two or more, ballots with voting instructions will be emailed in advance of the AGM to all APPI members eligible to vote with an electronic ballot link.

This year's AGM will be virtual on Thursday, April 25, 2024. Anyone considering serving on Council should be aware that the 2024 APPI Council Strategic Retreat has been scheduled for May 31 – June 2, 2024, at the Village Creek Inn in Pigeon Lake, and there is an expectation that all members of Council participate in this Institute in-person visioning exercise.
