APPI Event Blast

Webinar - Off-Airport Land Use Compatibility Primer

This webinar will provide an introductory overview of how planners can ensure land use decision-making near airports is compatible with aviation safety, operational viability, regulatory compliance, and community wellbeing. The session will have an emphasis on land use matters experienced at community and regional airports and address the main considerations planners should be aware of, tools to guide your work, common challenges, and best practices.

January 16th from 12:00 PM to 1:00 PM

This webinar qualifies for 1.0 CPL units
